INSTRUCTIONS

To fill out this sheet just record a match won with a "W" and a match lost with a "L" as legibly as possible. (The grey shaded area's are for office use only.)

The Team Captain is responsible for recording their teammate's win/lose record during each week of play. This Individual Rating Sheet should be kept up to date and available to all team members.

Each team will have an MVP. We suggest using the winning percentage to determine these positions, but each team can select them in any way they wish.

Each MVP tournament is a seeded event, so it is important that each captain keep accurate records.

We encourage each team to participate so that this event will continue to be a success.

Failure to attend will result in forfeiture of awards for your team.
